

STEPS MINISTRIES

We are a dynamic, family-based ministry dedicated to urban impact through both teaching and living the principles of Jesus. The team works out of an old storefront that has been refurbished into a youth center nestled right in the center of the Seneca Babcock neighborhood of Buffalo near downtown.

Ben & Ruth Tagg

Ben is from the UK and serves as Ministry Director. You can contact Ben at ben@stepsministries.org

His wife, Ruth, is from Clarence, NY and serves as Communications / Administrative Assistant. You can contact Ruth at ruth@stepsministries.org

Some of our core values are:

- Leading people to an encounter with God
- Teaching the Word of God
- Discipling one-on-one

Some Scripture passages that have inspired us are the parable Jesus gave of the Great Banquet in Luke 14:12-24 and James 1:27

We enjoy the diversity in the body of Christ and are always in need of people to get involved in the ministry in various ways:

- Volunteers for the youth and children's work
- Volunteers for getting alongside adults
- Various practical projects around the building or neighborhood
- Prayer partners
- Financial partners

OUR VISION

Steps Ministries is a Christian community dedicated to living simply and proclaiming the message of Jesus Christ. This community is incarnational in that our staff and interns live in the wider community that we minister to. We are committed to the apostles teaching, prayer and fellowship. Our goal is to reach those who have not been reached by the traditional church. Our outreach is designed to transcend cultural boundaries by being expressed through our ordinary lives. We partner with individuals by mentoring and providing relevant and Christ-centered programs for kids, youth and adults. We partner with local ministries and community organizations to support families. We partner with local Christians to pray with them and equip them to transform families around them by living Christ.
